

## **GAMIVO Software security products policy:**

### **How to add Software security products:**

- Only verified and accepted Merchants are able to add Software security products on GAMIVO digital marketplace;
- it is NOT allowed to add multi-licensed account codes on GAMIVO digital marketplace;
- All products will be verified, if you need any assistance please contact our Customer Support Team.

**NOTE: All offers will be displayed in the 5 min. rotation if the price is set to minimal limit for at least 2 offers.**

**NOTE: All GAMIVO Software security products have a minimal price to set, and additional commissions due to high-risk product character. Please find below the fee table:**
